

SEA to Present Workshop on Surface Applications of Dispersants at Clean Gulf Conference

SEA Consulting Group and our experienced Associates from MSRC, CCA, and C.A. Huber, Inc. will be offering a Dispersants Workshop as part of the Pre-conference Training Workshops on **Tuesday, November 29th (1 to 5 p.m.) Part 2: Surface Applications of Dispersants: Preparedness & Response Considerations** at the 21st Annual CLEAN GULF Conference being held November 30th - December 1st at the Henry B. Gonzalez Convention Center in San Antonio, TX. This short course is the second dispersant workshop for the day and is designed for those who have a management responsibility (industry and government) for future oil spills involving surface treatment (aerial or boat spray application) by dispersants. The Workshop is FREE (lunch included) for the first 100 applicants. Hurry, the courses are filling fast! For more information on the exhibition and conference, visit their website at www.cleangulf.org. Look for SEA Consulting Group members at the CLEAN GULF Conference!
